2010 PBA Camp Rules

1. Campers are not allowed off campus.

No camper is permitted to leave Plains Baptist Assembly while attending camp, unless prior arrangements have been made with the Camp Coordinator. This rule includes ball games, classes, medical appointments, etc.

2. No one is allowed to ride in or on any vehicle.

Everyone will walk while attending PBA Camp. There will be no movement of cars, buses, vans, motorcycles, or skate-boards on the campus unless approved by the Camp Coordinator. All vehicles must be parked from the time of registration to the final day of camp. [Please understand that in order to better serve you the Camp Administrative staff will use vehicles.]

3. Campers must attend all sessions.

Late arrivals and/or early check-outs are not permitted unless prior arrangements have been made with the Camp Coordinator. All campers will be required to attend all activities and sessions of the camp. If your group is in an activity, whether in the classroom or the athletic field, you must be with them-this includes recreation. There are no exceptions to this rule unless you are injured or sick and are at the nurse's office, or hospital. The only free time campers have is their scheduled free time.

4. Campers who are ill or injured must be either in the Nurse's office or hospital.

In the event of illness or injury, campers will not be permitted to remain in their cabins. Campers who are ill or injured will be required to seek medical assistance in the nurse's office until they are able to return to the regularly scheduled activity or session of their group. Campers may not remain in their cabins unless requested by the nurse. All medications must be given to the Camp Nurse at registration. Place them in a large zip lock bag with your child's name and church name. Prescriptions must be in the original container with the camper's name and the current dosage. If your child/youth requires an inhaler, have him/her bring at least two (2) to camp. He/she needs to keep one (1) with him/her and give one (1) to the Camp Nurse.

5. Everyone must be in the cabins and have lights out at the times specified in the schedule.

Everyone is required to be inside their assigned cabin at the assigned time. Your curfew is for your security and for your mental and physical well-being. The daily schedule is very demanding!

6. Drugs, alcohol, any form of tobacco, firearms or fireworks are not allowed. Also, do not bring tape players, radios, CD players, televisions, Water guns, super soakers, Nintendos, pagers, cellular phones, iPods (of any kind), MP3 players, or any other type of electronic game or equipment.

7. Campers must dress appropriately.

All clothing should reflect modesty and discretion; extremely short shorts/skirts/dresses/skorts, sheer clothing, etc. are not permitted. No shirts with inappropriate messages—including rock groups. Cover-ups must be worn to and from the pool. Swimsuits must be conservative—no French-cut or 2 piece. Girls may not wear mini-skirts, spaghetti straps, or mid-drifts. Shirts and blouses should be long enough to cover stomach. No sleeveless attire may be worn by anyone except at recreation. Shorts (for guys) and skirts/dresses, shorts, and skorts (for girls) must be no shorter than fingertip length with arms and hands straight down at sides while standing. Caps or hats will not be worn indoors.

8. Refrain from Public Displays of Affection (PDA) with girlfriends or boyfriends or spouse.

Public Displays of Affection include holding hands, kissing, hanging on one another.

9. Ordering food to be delivered on campus is forbidden.

10. Under no circumstance are girls to be in boy's cabins or boys in girls' cabin.

This includes meeting areas in all cabins except scheduled small group times.

11. Campers must obey all Plains Baptist Assembly Rules and Regulations.

By signing this Camp registration, you are entering into a 'contract' with PBA Camp. Your signature indicates that you know—your pastor and your parents know—that if you fail to use good judgment and common sense in following the rules above, you will be dismissed from camp and returned home at your own or your parents' expense.

Generally, your behavior should reflect these three basic things: 1] Be where you are supposed to be, when you are supposed to be there, doing what you are supposed to be doing, 2] Always pray, always be on time, always be flexible, and 3] Have a good attitude and a teachable spirit. The PBA Camp Staff wants you to be happy and to help you have the greatest week of your life, as you grow in your own personal discipleship to the Lord Jesus Christ and learn to share the joy of your Christian life with others.

I have read all the above, I understand them, and agree to abide by them. X_____

I. Facilities

1. Occupancy of PBA facilities is not to exceed the maximum number of beds placed in each building by PBA staff.
2. Each group/camp is charged for the facilities they use. All facilities not specifically designated in the Facility Rental Agreement used while your group/camp is on campus may be charged to your group/camp. Please do not enter buildings that you have not rented. Please do not enter facilities being used by other groups. Please respect all locked doors and/or buildings that are being renovated (and may not be locked).
3. Broken and/or defaced property and/or equipment resulting from your group's use may be charged to your group. Please promptly report any broken or damaged property to PBA management staff via our Work Order Forms (available in the Dining Hall, Camp Office and other designated areas).
4. Pets are not allowed in facilities unless specific permission has been granted by camp management.
5. Please help us care for and be good stewards of the facilities that you use by:
 - a. Leaving bunk beds in the positions they are in when you arrived (Please leave mattresses on the bunks they are on).
 - b. Keeping the buildings clear of trash and debris.
 - c. Not lighting candles in any building without permission from PBA's Executive Director.

II. Food Service

1. If your group decorates tables, walls or other areas in the dining hall for a meal or special event please return facility to its original state after use.
2. Guests with special dietary needs (e.g. diabetes, food allergies, etc.) need to provide their own meals to meet their specific dietary needs.
3. Plains Baptist Assembly may not be able to provide ice for coolers, carry-out drinks, or other receptacles due to high demand for our limited ice capacity for meal times.
4. Special group/camp meals may be available if arrangements are made at least two weeks prior to arrival. Special group/camp meals may be subject to higher meal cost.

III. Transportation

1. The speed limit on campus for all vehicles at all times is 15 mph.
2. If your group uses golf carts, ATVs or other personal transportation vehicles, the maximum number of passengers allowed is limited to the vehicles designed seating capacity. Riding on the rear bumper, pickup beds, standing and/or laying on vehicles while in motion is not permitted. PBA staff needs to enforce this policy for guest's safety. Golf carts, ATV's and other recreational vehicles used on camp grounds need to be registered at the camp office.

IV. Swimming Pool

1. Arrangement to use the camp swimming pool must be confirmed before arrival. Under no circumstances is any group allowed in the swimming pool area without camp approval and the proper number of Licensed Lifeguards.
2. Female swimsuits should be one piece. If a two piece swimsuit is worn a cover should be worn over the swimsuit. Boys and girls must wear a cover to and from the pool.
3. Please do not distract or interact with the Lifeguards while at the swimming pool. This is for your safety and the safety of your group.

V. Recreation and Amenities

1. Guests under the age of 18 are not permitted to be at our ropes course without an adult sponsor in attendance with them. The ropes course is dangerous without proper facilitation by PBA personnel. The elements must never be climbed on or used without certified PBA personnel on the course. ALL guests using the ropes course are required to complete and provide PBA a medical/liability release prior to any ropes course event.
2. Campfires are available for groups if arrangements are made in advance of your arrival. If a campfire is not prearranged PBA cannot guarantee this amenity. Under no circumstances are groups permitted to build a campfire without the permission of PBA management. There are many factors to consider (e.g. burn bans). Please let us know your plans and let us accommodate your needs in every way we are able.
3. Recreation fields are available for use during your stay. However, please be aware that groups other than yours may reserve a recreation field for a designated period of time during your stay. If a field has been reserved by another group please be courteous and allow that group use of the field. Recreation equipment may be available for your group's use. PBA asks you to help us keep our rates low by not using field lights unless absolutely necessary. If you use our field lights please make sure they are turned off after you finish using the fields. One of the most significant costs of camp operations is power (electricity & propane). If you will partner with us to turn power off when you are finished with it, it will help us keep our costs down and thus keep your use fees lower.
4. Hiking for guests under age 18 is allowed only on designated trails with adult supervision. Please use caution when hiking and never cross fences along the camp property. Hiking is ONLY allowed on routes designated by camp management for anyone at any time. Please check with us to see where the designated hiking routes are.
5. Archery and rifle ranges are off limits when not scheduled. Events must be led by qualified personnel. Please make arrangements to use these amenities prior to your arrival. We have certified instructors on staff or available to us. If we know your needs in advance, we will do our best to accommodate them.
6. Arrangements to place tarps, inflatables, mud pits, or other items, on our recreation fields must be approved by PBA management in advance of placement. The intense Texas summer heat will damage our fields if items are placed on them for extended periods of time. Your cooperation will help the stewardship of the campus.

VI. Conduct and Supervision

1. Group/camp leaders/sponsors are totally responsible for the conduct of their group.
2. All groups will provide adequate adult sponsorship of all attendees/campers under age 18. PBA requires a ratio of one sponsor for every eight to ten (8-10) attendees/campers under the age of 18. At least one sponsor for each sex is required. Please be aware that Texas Health Department regulations may require certain things dependent on the length of your stay and the size of your group. Please contact us, to determine what may be required for your group.
3. Smoking is strictly prohibited in: (1) all buildings; (2) within 25 feet of any & all campus building, and; (3) for anyone under the age of 18 anywhere on the campus at any time. If adult sponsors or adult guests must smoke on the PBA campus, personal "dead out" ash receptacles must be used and all smoking debris must be taken off the campus with the smoker. Fire is an extreme hazard here at times and it is our obligation to protect both guests and campus.
4. Use of alcohol or illegal drugs is prohibited on the PBA campus at all times.
5. Firearms are strictly prohibited on PBA's campus; unless they are properly registered with PBA administration (proper security of firearms must be assured). If you plan to bring firearms to the campus please check with us well in advance of your visit. Regulatory agencies & insurance require certain precautions.
6. Guests of PBA must dress modestly. Boys must wear shirts at all times outside of cabins. Shoes or other foot cover must be worn at all times. Girls must be covered appropriately (please see Section IV:3 for swimming dress).
7. Guests at PBA are asked to respect other group's privacy and "lights out" time. Our general campus "quiet time" is midnight until 7AM.
